OPTIMIZING SPEND AND REDUCING FEES.

For more than 20 years, CWTSatoTravel's trusted hotel program has been negotiating hotel rates and terms for military and government travelers. We pride ourselves on our reputation with our clients, who depend on us to provide them with the best rates and value adds in every destination and at every hotel type. We aim to optimize hotel spend, reduce ancillary fees and enhance the overall travel experience.

RATES AT OR BELOW FEDERAL PER DIEM.

Our program negotiates rates for travelers to guarantee prices at or below federal per diem at quality hotels. Participating hotels also often include value-added amenities in their rates such as complimentary breakfast, parking, internet, fitness facilities and more.

To ensure low rates and the government rates hotel program guarantee, our team audits each hotel property on a regular basis. We also audit to verify that only those properties accepted into the program are using the proper rate code.
